To the Entire Neighborhood Healthcare Team:

At BioMed Realty, we are dedicated to supporting our tenants and recognize that true partnership is the key to addressing the life science industry’s unique requirements to succeed and grow. We also take that approach in our commitment to serving the communities in which we live and work.

We are proud to be a lead sponsor of the 19th Annual Neighborhood Healthcare Pace Setter Gala for the eighth consecutive year. We are honored to partner with Neighborhood Healthcare and support your efforts to provide critical medical, dental and behavioral health services throughout San Diego and Riverside Counties.

We salute Neighborhood Healthcare on your mission of providing quality health care and promoting wellness to our communities, your success in delivering exceptional and sustainable care, and your commitment to those in need. We offer our sponsorship of this 19th Annual Pace Setter Gala to encourage all of us to contribute to Neighborhood Healthcare’s efforts in delivering vital programs to combat chronic disease and promote wellness.

Congratulations on your continued success in providing exceptional health care and delivering wellness to everyone in our communities. All of us at BioMed Realty look forward to continuing our valued relationship with Neighborhood Healthcare in support of delivering high quality care and commitment to those in need.

Sincerely,

Alan D. Gold

REASONS TO SUPPORT NEIGHBORHOOD HEALTHCARE

PROTECT OUR COMMUNITY’S WORKFORCE
We are the working person’s hero. We get our community’s workforce well so they can make a living. Many of our adult patients are employed, but that doesn’t mean health insurance is available or affordable to them through their employment.

KEEP YOUR CHILD’S CLASSMATES HEALTHY
Healthy kids are kids who can learn. More than 21,000 children a year depend upon us.

SAVE YOUR LOCAL EMERGENCY ROOM
2,100 patients a day come to our health centers, keeping your local emergency room free for true medical emergencies.

BRING HEALTHY BABIES INTO THE WORLD
1,600 babies will get a better start in life this year because our prenatal programs exist.

AFFILIATE WITH EXCELLENCE
We are an award-winning organization, founded in 1969, that has earned a reputation for solving community health issues. An association with Neighborhood Healthcare is an association with excellence.
Vantage Medical Group is privileged to support and sponsor Neighborhood Healthcare’s 19th Annual Pace Setter Gala

Vantage Medical Group’s mission is to provide excellence and quality care to the communities we serve in the Inland Empire and in San Diego County.

It is our privilege to partner with Neighborhood Healthcare and promote wellness.

Vantage Medical Group is the largest Independent Physician Association (IPA) with over 300,000 members and growing.

For over 25 years, Vantage Medical Group has been committed to providing the highest level of support for our Physicians and Members.

We appreciate your trust in allowing us to take care of your families’ healthcare needs.

Vantage Medical Group commends Neighborhood Healthcare’s commitment to providing excellent and compassionate care for their patients in need.

Vantage Medical Group looks forward to our growing partnership with Neighborhood Healthcare.
Thank You Tracy!

You have made a profound difference in the lives of our North County community over the past 31 years. Your legacy of compassion and caring will always be in our hearts.
Dear Friends and Generous Supporters,

Thank you for joining us for our 19th Annual Pace Setter Gala, “A Farewell Celebration.” As I look forward to retirement in December, I am honored to share this evening with all you who have supported Neighborhood Healthcare in many important ways. The past 30 years of working with others to respond to the need for affordable health care has truly been a rewarding experience, even at its most challenging moments.

Tonight’s proceeds will help fund patient care at The Gold Family Health Center in Poway when the center opens early next year. Additionally, funds raised for Unfunded Care will help any patient in need of medical, dental, or behavioral health care at our 11 health centers.

Each day 1,100 men, women and children come through our doors to see one of our high quality professionals. Our dedicated staff offer a safe and welcoming home for our patients of all ages. This year, 21,100 children—from infants to teens—will rely on us for their health care. We also help 2,100 newborns get a healthy start in life due to our prenatal programs and pediatric care.

Tonight, you have an opportunity to help our patients by giving generously. Your gift will have a lasting impact. Neighborhood Healthcare’s long history of service has proven that it is there for the most vulnerable.

Special thanks to our visionary and title sponsors: BioMed Realty, Vantage Medical Group and Alan and Debbie Gold. Our staff, patients and board of directors send a big thank you to all our sponsors and guests who give generously to support our mission.

As you enjoy yourself this evening and share in the fun, know that you are investing in a successful community asset that ensures we have a safety net in place for you or your neighbor’s care. Gratefully Yours,

Tracy Ream

Patient Zhu Shen: Thank You for Helping MY Family

Neighborhood Healthcare patient Zhu Shen was living a peaceful and productive life with her husband, Dr. Changyou Chen and their 10-year-old son, Perry, in Carmel Valley 7 years ago. Both Zhu and Changyou immigrated from China to seek advanced degrees in the sciences. They succeeded in achieving advanced degrees and were enjoying their happy life and career success when Changyou was diagnosed with cancer. He was too ill to continue to work and the family lost their health insurance.

Fortunately the family found help and hope for Changyou at UCSD and for Zhu at Neighborhood Healthcare with Dr. James Schultz.

Changyou received treatment for two years but sadly he passed away. During this difficult time in their life Zhu says, “Having Neighborhood Healthcare and Medi-Cal was a truly a godsend and our family is so tremendously grateful that we have a place to go, people like me, who never ever thought they would need a place like Neighborhood Healthcare. I want to say thank you to the Pace Setter guests for their donations that helps families like ours. America is a country that truly cares for its people.”

EARLY NEXT YEAR
Improving health, one decision at a time

We thank you Tracy, for your commitment to Neighborhood Healthcare’s mission and your leadership to expand access and improve health and wellness in the community for over 30 years. It is an honor to celebrate the dedication that has made such a positive impact in North County. We are proud to sponsor the 19th Annual Pace Setter Gala benefiting the Unfunded Care Fund to continue that legacy.

Help Us Fund Care for Our Patients in Need

Raise Your Bid Card High During our Live Auction to help fund the following:

Each day, Neighborhood Healthcare sees almost 1,100 children and adults at our 11 health centers. Our dedicated staff provides a welcoming home for our patients of all ages.

Your donation helps us excel at our mission and provide our patients with medical, dental and behavioral healthcare.

WE HELP 2,100 BABIES get a good start in life every year. Thanks to our prenatal care and education, those without insurance can rely on us.

CHILDHOOD OBESITY—Our passion is to help address and solve childhood obesity. We offer various programs to help educate the whole family and to help them adopt healthier habits.

TEEN CARE—Teenagers who have no insurance often have not seen a doctor for years. We think it’s important to provide them with a complete physical and information regarding staying healthy. We also provide education, counseling, and care for pregnant teens.
DENTAL CARE—We provide much needed dental care to nearly 8,000 people a year; most are children. At their annual checkups, kids learn how to care for their teeth, and their parents have a place to help care for their family’s dental needs.

IMMUNIZATIONS AND CHILDREN’S Rx FUND—We save lives by providing 14,000 immunizations a year. From eardrops to antibiotics and inhalers, sick children get needed medication to get healthy. The Children’s Rx Fund helps ensure that no child leaves without the medicine they need.
