

Val Verde Unified School District

Family Engagement Community Resource & Learning Center
Community Impact Overview

Community Context

- Located in Mead Valley, Riverside County – highest-need area in VVUSD
- 19,000 students; 80% free/reduced lunch
- Hardest hit during COVID (8th highest county cases nationally)
- Food desert with limited healthy food access
- Highest need for adult education in Riverside County
- Higher intake of sugary drinks & unhealthy food (AHA)
- 20% of absent students miss school due to lack of clean laundry

Impact Snapshot (Since Launch)

Service	Impact
Laundry Services	43,209 loads (+29% annual growth)
Community Store	39,127 items distributed (+194% year-over-year)
Healthcare Access	5,213 visits (1,243 behavioral health; 631 immunizations)
Mobile Dental	Districtwide services
Education Programs	55 courses, 367 current registrations

Crucial Partnerships

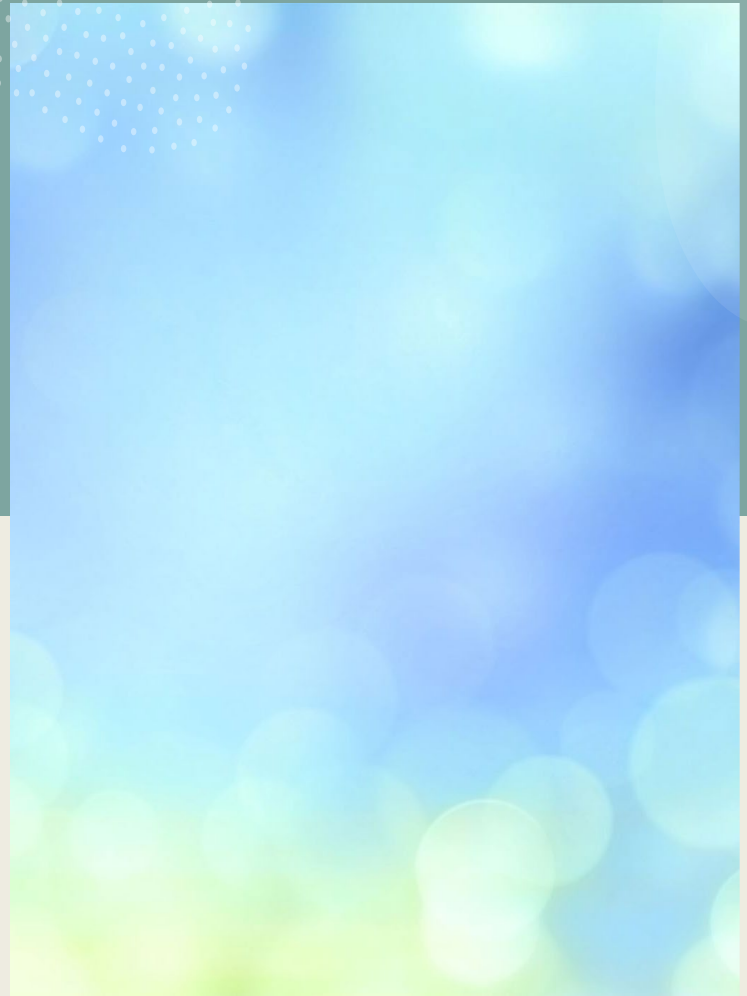

- Neighborhood Health Clinic – healthcare & behavioral health

- Hanes – clothing donations

- Bordando Nuestras Raíces– new clothing items for community store

- Local colleges/workforce agencies – adult education

- Nonprofits/faith-based orgs – food, essentials, outreach

Future Vision & Closing
